Membership Form

The Friends are a group of local people who want to see the park restored to its former glory and help to guide its long term development and maintenance. We are also producing a Social History of the Park which will be displayed in the new pavilion.

The group's vision for the Park in the Terms of Reference is:

"Dartmouth Park is considered to be the foremost historic urban park in West Bromwich. SMBC with the FoDP and other local stakeholders will work towards achieving an easily accessible, safe, attractive and welcoming high quality heritage park, which meets the needs of everyone and which contributes to the economic, social and environmental well being of the people now and for future generations. This highly valued park will continue to improve the quality of life in West Bromwich."
